INTERNSHIPS

| | |
|-----------------------------------------------------------------|----------------------------------------------------|
| Web Developer Intern GlowTouch Technologies Pvt. Ltd. | Oct 2023 - Nov 2023 <i>Mangaluru, Karnataka</i> |
|-----------------------------------------------------------------|----------------------------------------------------|

- Developed a full-stack web app 'SmartStitch', designed for the clients of tailors to ease their tailoring process.

| | |
|---------------------------------------------------------------------------------|--------------------------------------------------|
| Salesforce Administrator Virtual Internship Certified by SmartInternz | Oct 2023 - Nov 2023 <i>Virtual Internship</i> |
|---------------------------------------------------------------------------------|--------------------------------------------------|

- This internship helped me gain hands-on experience in managing and configuring the Salesforce platform.

CERTIFICATIONS

- TechA Blockchain Developer Certification** July 2024
Certified in TechA Blockchain Development from Infosys Springboard, demonstrating proficiency in blockchain technologies, smart contract development, and Hyperledger Fabric administration.

PROJECTS

- B-LOCK: A Blockchain based e-vault application**, is an application designed to securely store and manage files using Blockchain Technology with React JS as the front-end technology.
- Worked as a freelancer on a **WordPress site** built using **Elementor** for a UAE-based company that delivers POS solutions. I contributed towards the implementation of **ContactForm7** plugin integration.
- SmartStitch: A smart application for your tailoring needs**, eases the process of ordering tailor-made dresses. Clients can provide their measurements and place orders without the need to visit tailor in person.

ORGANIZATIONS

- Chief Pilot Trainer** at **SJEC AERO**, which is the aeromodelling club of St. Joseph Engineering College, that aims at creating innovation in the field of UAVs and aerospace technology.

ACHIEVEMENTS

- Participated in the **Boeing National Aeromodelling Finals** held at RVCE Bengaluru on May 3, 2024.
- First place** at **Boeing National Aeromodelling Zonals** held at IIT Bombay on December 28 and 29, 2023.
